

WORLD REACH®

"PARTNER with us in reaching the WORLD with the GOSPEL OF CHRIST through the local CHURCH"

GERMANY

- Germany is strategically located in the center of Europe bordered by Poland, Czech Republic, Austria, Switzerland, France, Belgium, Netherlands and Denmark.
- The capital city is Berlin.
- Germany has a federal republic form of government.
- A dramatic post-war recovery resulted in Germany becoming one of the world's strongest economies and one of the world's largest industrial nations.
- The population of Germany is 82,431,390. 70% of the population claims to be Christian, but there is growing hostility to anything overtly Christian.
- Evangelical Christians make up 2.9% of the population.
- There are about 1,531 missionaries representing 150 agencies from 40 countries.

(Information is from [Operation World](#) (2001 edition—updated and revised 2005).
