## Missionaries to Romania

Dear Brothers and Friends,

Brasov, October 2008

*"For the word of God is living and active and sharper than any two-edged sword, and piercing as far as the division of soul and spirit, of both joints and marrow, and able to judge the thoughts and intentions of the heart."*

*Hebrews 4:12*

### THE WORLD REACH BIBLE INSTITUTE-BRASOV

The verse above is one of the most known concerning the believer's need to base his spiritual growth in God's Word. I quoted it for the ones in the picture because they were the attendants of

the first core course that was taught by Pastor Charles Carter (*first from right*). This course was "Old Testament Survey" and was the first of 15 that the students will take during the next two and a half years.

Please pray for these students. They are special treasures for the Romanian church's future leadership. Pray also for: 1) the church's pastors that have been trusting us in the process to equip them with Biblical theology, 2) the teachers coming from the USA to teach four times a year and 3) Pastor Iosif Belea, who is the national coordinator for the Bible Institute and is taking care of the many details. We thank God for the privilege of being a part of this process of helping the pastors, as well as enjoying their friendship and appreciating their confidence.

## A SHORT-TERM PROJECT IN VITORIA, SPAIN

We felt lead by God to accept an invitation from Pastor Willfredo Figueroa to help for a few months (*beginning this month of October*) at the Vitoria Evangelical Church. He is a pastor in another city, but has been taking care of the Vitoria Church for several years because they had no pastor. We received this invitation several months ago and God confirmed that we should accept it through our sending church pastors and our mission board.

So, we will be helping Pastor Figueroa in Spain in the way God leads us. We will also be supervising the ministry in Romania from *'far away'* because the Bible Institute continues and we have several items of responsibility in the process.

God is also giving us an emotional break from the day-by-day ministry with the people in Romania. As we have asked you before, please pray as God heals us. We see this short term project as a part of His care for us in the healing process of our souls.

Pray, as well, for us to be able to encourage the Vitoria Church members as God leads us and to also receive encouragement from them.

### OUR SON, GERSON

Gerson is in the beginning of his third year at Anderson University in Indiana. He is very busy, working hard toward his career. Please pray for his institutional and friend's scholarships. Thank you to those who help him financially. May God richly bless you.

Hugs from,

Francisco and Martita Berrios
