Glory to God for the New Year!

We give glory to God for another year. Even though there are many problems throughout the world, this is a new year with many opportunities in the ministry. Jesus said (*John 4*) that we should see that the fruit is ready to be harvested! In this way, we glorify God. So, we have a lot of work in this ministry that God has given to us!

We ask God to give us grace in our relationships with the different people to whom we minister, especially the rural areas of our church. We travel to these areas each Tuesday and Thursday in order to study God's Word with the new believers. We are thinking that very soon we will have a new church! In one of these areas, we will begin Bible studies again. It will be in the community of Portrerillos (about 20 minutes from Siguatepeque). We

give thanks to God that we have been given permission to share the Word of God in both the public and the high school there.

Teaching in our Mobile Bible Institutes:

February 16-20 - Chichicaste, Danli el Paraiso, Western Honduras

August 3-7 - El Carreto, Nacaome Valle, Southern Honduras

October 7-10 - Nueva Guinea, Nicaragua

In our church, Christian Family Center (CFC), we have an evangelism project. We have organized a group of our brothers and sisters in Christ with whom we will be developing large evangelistic events. We will also be visiting, house by house, in several rural areas where we currently function with home groups. Also, we have planned a few visits to the prisons in La Esperanza (*Western Honduras*) and Comayagua (*Central Honduras*).

OUR PRAYER REQUESTS

1. *Noel's visits to rural Honduras with the Mobile Bible Institute*

5. *The provision of an appropriate car or truck for our ministry*

Praise God for Noel's school grades and for her involvement in the children's ministry as a teacher's helper.
