LANGUAGE SCHOOL IN GUATEMALA
JULY 1994

Dear Friends,

Most of you have been reading prayer letters from us for the past 15 years . . . **yes** . . . on July 3rd we will officially celebrate our 15th Anniversary of leaving the States for Language School in Guatemala. God is faithful and has given us the privilege of serving Him in this ministry. Thanks so much for praying for us all these years . . . and continuing to pray.

Furlough Travel

We are planning to be in the States for a short furlough this summer from early July through the beginning of October. We look forward to seeing all of you and sharing what God is doing here in Honduras. Please pray with us about the added expenses of travelling and being in the States. Please send us your e-mail addresses and phone numbers so that we can visit with you.

Vehicle Needs

Also, we will need some kind of minivan to drive while we are there. Would anyone be willing to loan us a vehicle for those 3 months? That would be a tremendous blessing!

Children's Education

Kathee just finished the homeschooling year with Abigail and Elizabeth. They are all three relieved to get a break. Hannah and Daniel have about a month left to finish their online courses. They would appreciate your prayers.

Family Safety

The economic problems that the world is facing are having violent results here in Honduras. There are many more assaults, robberies and kidnappings. Some North American friends here in Siguatepeque were assaulted in their home this week and the husband was wounded by a small caliber weapon. They are recuperating well, but concerned about the future. **Please pray for safety for all of us as we seek to minister in our Savior's name!**

Midway Group

An evangelistic team from Midway Baptist Church in Wingate, North Carolina, will be travelling to minister with us June 20-28. We will be doing a Vacation Bible School in the rural community of Balibrea, about 10 minutes from where we live. Pray that God would use this team for His glory, drawing many to Him!

Mobile Bible Institute

Tim taught a class on Ecclesiology (*The study of the church*) in El Carreto, Honduras. It was over 100 degrees each day, but well worth the effort. There were 25 leaders in attendance. The discussions and the fellowship were rich and encouraging. Pray for each of the rural churches represented by these leaders.

Please pray also for the students in Chichicaste, Honduras and in Nueva Guinea, Nicaragua. Pray also that God would use us in the lives of these leaders and their churches.

With Love and Appreciation,

Tim and Kathee Hagler
