

NEWS FROM THE HUYHUA FAMILY

DECEMBER 2009

Dear Brothers and Sisters,

We greet you in the Name of our Lord Jesus Christ; grateful for what He has done in these last months and what He will still do in the coming ones.

CARAPONGO

The Lord has been clear with us in being persistent because during this time the attendance of the children has varied due to final exams and different activities in the schools. Yet, in the same way, we give thanks to God for His faithfulness as in this month we had a get-together for the anniversary of the ministry with kids in our La Roca Church and, thanks to God, we were able to take 21 kids from Carapongo to have fellowship with other kids from around the church. In total, we had more than 250 kids. It was a very beautiful time, although a little crazy, Jajajajaj . . . but in all we see the hand of God as this encouraged two kids from Carapongo who were not coming to come back with us.

Important Prayer Requests

- That next year we will be able to bring kids to camp (January 12-17).
- That there will be provision of grants or half grants for these camps.
- That the discipleship plan for the ones that are already adolescents will work. (We will start next year.)
- Brothers and Sisters, we need to make decisions for next year concerning the ministry. We think that we need to do more for the Kingdom of God in this ministry but we want to make the correct decision. Please pray for direction and discernment.

CELL GROUP

We have a lot to thank God for in this ministry that we have each Friday with the families. During this time, the attendance has been constant. The brothers are very motivated as we are starting with some new material called “The Footprints of Christ”. They will be helping in teaching the others and it will be a challenge for them also.

We are also seeing that two members of my family are coming to these meetings (my aunt and cousin). They are also going more faithfully to the church meetings on Sunday, which they were not doing. This is another reason to thank God.

DISCIPLESHIP

In this area of service to God, we see some fruit which encourages us and confirms that our work for Him is not in vain. We see changes and commitments of the boys and girls and some of them are already involved in the ministries. As well as asking you to pray for God’s wisdom, we ask you to pray that He will permit us to gain more friendship with the ones we disciple so we can have more effectiveness in counseling them.

OTHER MINISTRIES

This month, I will be traveling to Chulucanas (in the north of Peru) to teach for one week at the Bible Academy where I help out with teaching. I will teach the course “Synthesis of the New Testament”. It is close to the end of the academic year.

Evelyn and I are helping out partially with counseling in the Pre-Natal Center of our La Roca Church. We see that it is good for us to do this as we understand that God is preparing us to continue helping people with these kinds of problems.

LA ROCA CHRISTIAN SCHOOL

My work in the school really was and still is a big challenge this year, as it is something new for me. I needed to learn new things and make an extra effort. Now that it is the yearend in two weeks, we see the hand of Almighty God who remembers what we do in His name. I also see the teaching of God and His preparation to have daily Bible lessons prepared, carry out the curriculum of the manual and, above all, help the 2nd graders in this hour of Bible teaching.

Pray that Evelyng and I would have the confirmation of God to continue helping with this ministry and that we would delight in doing so.

Please pray also for our activities in Caraponga for the year's end.

We will be closing this year's Bible teaching with a party of "Chocolatada" (*Hot chocolate with cake*) for the kids.

We hope that the parents will come and that we will be able to share the Gospel with them.

"You, therefore, my son, be strong in the grace that is in Christ Jesus." 2 Timothy 2:1

ABOUT US

As next year is going to be our third year that we have been married, our wish is that God will bless us with a baby.

We want to finish our house. (We are making progress, bit by bit.) Pray that this will not distract us from the priority of the ministry and from what we are doing for the Lord.

We are also praying to decide correctly concerning our ministry in the Church. It is our desire to do our best more efficiently.

For sure, this has been a year of learning a lot and we thank God for permitting us to be part of His honorable work.
