

Beloved Brothers,

Our Lord is faithful to allow us to communicate with you and that makes us very happy.

We would like to share with you about the End of the Year Activities that we have had in the different ministries (*even though we know the work is not yet finished.*)

On December 19, we celebrated with an End of the Year Activity in Carapongo where we had a beautiful time of sharing with the kids. It was an amazing opportunity to preach God's Word because many of them invited their parents and they came and heard the Gospel. We also gave awards to the kids who had attended the club faithfully and shared with them delicious hot chocolate with sweet bread that was given by a brother. We are very thankful to God for that day. ***We saw His Hand in all of it!***

Church Activities

1) **The End of the Year Activity for the “Joyas Preciosas” Club.** There were 250 kids that came and it was a beautiful time to encourage them to keep going in their relationship with God.

2) **A Christmas Musical** that I participated in. It was a blessing because we could share the Gospel and people made decisions for Christ.

Family News

One of Bryan’s brothers (Alan) accepted Jesus as his Savior!! We have prayed for him for 8 years and we are very happy! We worship God for what He has done by answering our prayers for Alan. God’s timing is always perfect.
