

PERU

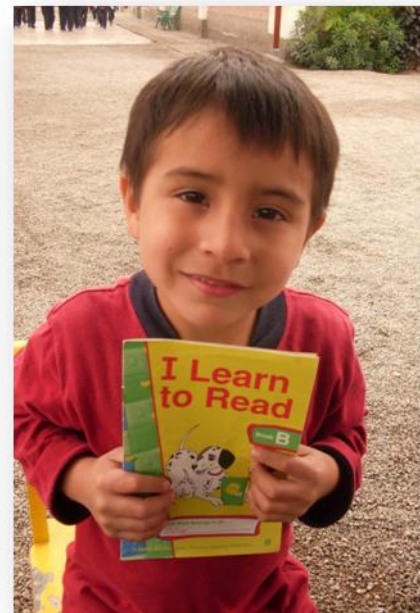

January 2009

How wonderful it has been to serve in Peru these past months. The faithfulness of God coupled with your prayers and giving has produced countless challenges, privileges and adventures. I am consistently reminded of the sustaining grace of God.

Teaching daily in the classroom presented many learning experiences for me as God gave strength. Children in Peru not only needed scholastic learning, but also love that only God could give. In the upcoming year, I will continue teaching the English language. Pray that God would grant me opportunities to show each child the light of Christ.

Outside the classroom, I was delighted to play piano for church during Pastor Juan's extended stay in the States.

Following my language studies in Guatemala, I hope to be given the opportunity to work in the Prenatal Center in Peru. Many women that go there are hurting in many areas of their lives.

Parents of one of my students trusted Christ through the Kindergarten Graduation. The elderly lady pictured on the right trusted Christ during one of the Evangelistic outreaches.
