

THE SANDOVALS

Dears Brothers and Sisters,

May 2007

My wife and I want to share with you the blessings and opportunities that God has given us in these months.

◆ MINISTRY

Last month, we were in an evangelistic crusade in La Ceiba, Honduras. Among the people that gave their life to the Lord was a lady who was the past mayor of the city. Now, she is like the Samaritan woman and is taking her friends to hear the Word of God. Please pray for her.

My wife and I had the opportunity to teach at a camp for couples. We had 27 couples. The study was about “*Now That We Are One*”. It was an excellent time with these brothers and sisters.

We will soon be presenting an interesting topic on “*The Family*” in El Progreso, Honduras. We hope it will be a beautiful time also.

MBI-HONDURAS STUDENTS

◆ CHRISTIAN SCHOOL

Thanks to God, there are more that 700 students in our school and they are being blessed through the devotionals.

If God wills, we will have a beautiful program in our school with Dr. Otto Hernandez, who is an international preacher. Please pray for this.

◆ MY FAMILY

March 28 was a special day for my family. God allowed me to celebrate my 70th birthday. (I have spent 50 years of my life in the ministry!) My wife

and I had a great time with the brothers and sisters. Two days later, we had our four children and their families in our home.

◆ PRAYER REQUESTS

1. Several evangelistic activities in different cities and countries
2. Our health - that God will give us the necessary strength for our service to the Lord
3. Our financial support

Thanks for your help! Remember that you are very important in our ministry! May God bless you.

With Love in Christ,
