Beloved Brothers in Christ,

July 2008

It gives us much joy to greet you in the love of Christ and to share with you the marvelous blessings that the Lord has poured out on our ministry in the beautiful country of Honduras.

In the middle of great problems, there are great opportunities. Honduras, just like the rest of Latin America, has been passing through a great crisis during the last decades. The daily news speaks of kidnappings, robberies, killings, inflation, gasoline shortage, etc. In the middle of this sad situation, we see great opportunities for World Reach to take advantage of each of its areas of service.

Evangelism We have been visiting the homes of families that have been threatened with kidnapping. A little while ago, we had a thanksgiving celebration in the home of a family who had just recently enjoyed the return home of a family member who was held by kidnappers for 22 days. During that celebration, 18 people accepted the Lord. We have seen the hand of God in several towns and small churches, a “spiritual revival” like we have never experienced.

Teaching the Word Once a week for ten weeks, we met together to celebrate what we called “School for Parents.” Many families were punctual in their attendance. During the closing ceremonies, 76 people received a certificate of participation. That was an emotional meeting! Each third Sunday of the month, we meet to study the Word and teach Biblical foundations for the family.

Prayer Requests

- God has provided a video projector, an overhead projector and other equipment, but we still have an urgent need for a small sound system (approximately \$1,500).
- Our new Project GO-10 consists of meeting with ten senior citizens. We meet each week to analyze the spiritual, emotional and physical needs of the pastors and leaders of our churches with the goal of seeing how we can help them.

Before saying goodbye for now, we want to thank you for your great support of our ministry. If God puts it in your heart to help us in the development of these projects, please use the enclosed envelope to mail it to our World Reach headquarters.

May God continue to bless you,

Chema & Dinora Sandoval
