

# The Sandovals

December 2008

Dear Friends and Helpers of our Ministry,

Praise the Lord for He is great and His mercy is forever!

Please receive warm greetings from the beautiful city of Siguatepeque, which is located in the heart of Honduras.

The weather here is really cold. It is so cold that it seems like we are already enjoying the beautiful Christmas time. That is why my wife and I want to tell you how much we love you and that we are very thankful for your help in our ministry, especially in these difficult days we are living.

We have seen the great hand of God. That is why we can sing the song that the angels sang on that beautiful night of the first Christmas:

*“Glory to God in the Highest Heaven and  
Peace on Earth to men with whom He is pleased”*

**Blessings to you this Christmas  
and Prosperity in the New Year!**

*Chema and Dinora*
