# CHRISTMAS 08 - TIM TEACHING

## Personal News

December was a busy month for the Prewitts, but one filled with family and fun. Everyone is staying busy with work, school, and traveling.

Christy is pregnant and in her 5th week. We are praising God for His answer to prayer, and would ask for your prayers in the weeks and months ahead.

We pray for each of you daily, as we continue to serve Him together.

## Dateline - Brasov, Romania - Jan 09 Students Continue Their Studies.....

Tim had the privilege to teach “Teaching Principles” to this group of students in Brasov, Romania last week. They represent the “new generation” of missionaries the Lord is raising up to reach their community. This group is made up of several pastors, half-dozen aspiring pastors and church leaders. Note the “university age” of many! That’s significant because

this society is very educated in an academic sense while certainly recognizing its need for Biblical training.

Thanks for investing in God’s work through your prayer and financial support! Together, we are making a difference as we make those all important “spiritual deposits” in their lives and watch God transform them through His Word!
