

MEET SOME OF THE PEOPLE GROUPS THAT WORLD REACH TOUCHES TODAY THROUGH YOUR PRAYER AND FINANCIAL SUPPORT-TOGETHER WE ARE MAKING A DIFFERENCE!!

The past several months have been as busy or busier than any since the Lord started the ministry over twenty five years ago. The first

Latin American Field Directors Meeting was held in September at the International Office in Birmingham. The theme, “Our

continuing commitment to establish the Church throughout Latin America” was our focus. The week was filled with much discussion and exchange of ideas, strategic planning, “Think Tank” sessions and much fellowship.

Pictured above is Tim in the opening session reminding the field directors of the purpose of

the mission, church planting! Pictured on the left is Tim and Jorge Espinal. Jorge is the Latin American Field Director for Honduras. This

Central American country is known as the “Island of Peace” and provides much stability within the entire Central American region.

Honduras has three first within the mission:

- first ministry field ■ first church plant
- first MBI site

PREACHING PRINCIPLES!

Teaching “Preaching Principles” to more than 20 Peruvian men was the focus in early September in Lima. Jerry Barber, a Charlotte pastor and a friend of the mission, taught this much needed course. The goal of the course was to empower, from a Biblical perspective, the students to be able to preach God’s Word with greater confidence and boldness!

Meet three of our Peruvian Staff

Bryan

Alexis

Ismael

These three World Reach team members were part of that training and each of them are working in different communities in Lima establishing new church plants.

Developing news

Watch for breaking news in our next letter regarding the launch of a new ministry field in the Latin American theatre. Scheduled opening date is spring 2008, as we redeploy some personnel and other resources. Please pray with us in this move. Opening new ministry fields is not just a step of faith, but requires a great deal of prayer, research, and setup expenses.

Dateline - Brasov, Romania - December 3-8

Tim will teach a preliminary class in Brasov in early December. This site will officially launch in the spring of 2008, assuming all the details come together in a timely manner. Tim's class is the third in a series of five that are designed to determine the academic and theological level of the students. Following the fifth class, the appropriate level of training will be determined and the two and half year curriculum will be started.

Dateline - Kenya - Orphanage Facilities Scheduled Opening

In December when the children are out of school they will assist in the move to their new home in Meru. The children and staff are so excited and appreciative to those who made this move possible, and to the Lord for His love and provisions. This move is significant in terms of the additional number of children we will be able to accommodate. *Changing lives, one child at a time. To God be the Glory.*

Prewitt's Personal News

The past several months have been filled with work and fun. You have heard from E-mails and other correspondence about the work, and the pictures below tell you of just a little bit of the fun. We were privileged to host the Barrientos family during the Latin American Field Directors meetings. During that time, Priscila had her 6th birthday. Then...on October the 7th, Emmie and Haley celebrated their 9th and 3rd birthday. Timothy has been busy building a robot with his engineering class, which won 6th place in a Division Competition. I really believe the key to enjoying a hard working week is to balance it with family on the weekend. Tim & Joy, Christy & Sam are busy working and being great parents. Tim & Carol are enjoying the fruit of their labor. Ha! God bless each of you and your families as we labor together for the cause of Christ.
