Testificando de Cristo entre los no alcanzados

July 2010

Dear Friends, Brothers and Sisters,

It is a great pleasure for us to greet you and share with you what God is doing in our lives in Siguatepeque, Honduras.

Jami

- I finished my degree from the Central American Theological Seminary (SETECA) in Guatemala in 2006 with a theological degree with an emphasis in missions.
- My passion is teaching the Bible to both children and adults.
- I enjoy teaching crafts to groups of ladies.
- In my local church (Betel), I minister as the Sunday School Coordinator.
- I work in a local evangelical high school as the Campus Counselor.
- Thanks to the Lord, my husband and I form a great team together as we serve the King of Kings.

Hermes

- I am a musician and Bible teacher. I graduated from SETECA in 2006.
- Jesus has called me to serve Him through the art of music and the gift of teaching.
- Currently, I am teaching 'Music' and 'Bible' in my local church (Betel), as well as teaching in the Baptist Seminary and the World Reach Mobile Bible Institute.
- One of my great passions (*in addition to my wife*), is playing the piano and singing of all that God has done in my life. For this reason, God has opened many doors to sing in elementary and high schools. I also sing at special events where, along with a group of friends, we make music to share the message of Christ.
- This year has been very special. I have really enjoyed working together with Jami in the ministry. Also, we are very happy that we will be parents in a few months.

Prayer Requests

- That God will continue to transform us into the image of His Son.
- That God will give us wisdom as new parents.
- That Jami will enjoy good health during the pregnancy.
- That God will allow us to have the opportunity of short-term exploratory mission trips. It is our desire to one day become trans-cultural missionaries.
