Hello Dear Friends!

It is a great privilege to greet you and share with you how God has been working in our lives. We are very grateful for our Lord's care of us and His loving provision. In this letter, we want to briefly share with you part of our ministry labors and some of our prayer requests.

Our Wedding!

After being engaged for two years, the Lord allowed us to celebrate our wedding! We were married January 16, 2010 in a beautiful spot on the shores of Lake Yojoa. Our family and friends accompanied us and we enjoyed the happy event that has wonderfully changed our lives forever.

THE HAPPY COUPLE ON OUR WEDDING DAY!

ICTHUS Honduras

We presented the Honduran Association of *ICTHUS* (a children's ministry) to around 300 pastors of the Central American churches. Many learned how God has used this ministry in the spiritual formation of children, adolescents and youth. Some of the pastors responded very

positively and have asked us to help them begin this ministry in their local churches. In addition, we dedicate two weekends of each month to visit current churches that have *ICTHUS* programs. We strive to dialogue with these pastors and leaders in support of this ministry in their local churches.

A GROUP OF *ICTHUS* GUIDES DURING CAMP

Mobile Bible Institutes

During the month of March, Abner traveled to El Carreto (in the southern valley of Honduras) to teach "Bible Study Methods". The MBI pastors are generally pastors and leaders from rural communities. The Mobile Bible Institute opens a door for these leaders so that they can receive training that is Biblical, Theological and Ministerial.

SOME OF THE MBI STUDENTS

Bible Seminary

Abner was invited to teach two classes during the first trimester of the Bible Seminary (SEBCAH). He taught “Bibliology” and “Doctrinal Synthesis I” to two different levels of students (*Professoriate and Bachelor of Arts*).

CENTRAL AMERICAN HONDURAN BIBLICAL SEMINARY

Camp

In March, we traveled to the city of La Esperanza Intibuca where we participated for two nights in a Youth Camp. The youth came from different rural communities throughout the area of Intibuca. The Lord used us to challenge the youth to make a commitment for Him.

Missions Conference

During the month of April, we traveled to Guatemala to participate in the mission “Crossing Frontiers” organized by the Central American Theological Seminary (SETECA). It was a week of intense training in which God challenged us even more about our missionary task.

Dental Brigades

During the months of March and July, Alisson participated in dental brigades in the central zone of the country. She understands that, as a dentist, her medical profession is an open door to serve the community and give testimony of her faith.

Prayer Requests

1. For the provision of health. We need to be in good health in order to fulfill our ministry commitments.
2. That the Lord would take care of us in all our travels because the highways present many dangers. God has already protected us from two very dangerous situations.
3. For this new stage of life as a couple. We need to grow and mature and the character of Christ needs to continue to form our lives.
4. For more opportunities and resources for Alisson to continue serving through dental brigades.
5. For the ministry of *ICTHUS*; that God would allow us to develop a positive leadership with our close co-workers.
