Dear Friends,

March 2010

“Cast your bread upon the waters for you will find it after many days.” (Ecclesiastes 11:1)

This verse tells me that we may not always see immediate results as we share God’s Word but the eventual harvest is sure.

For instance: While on furlough from the mission field years ago, a young teen responded to the invitation at the close of the service. However, I never knew what God did in her life until years later when I heard her testimony on a National Television Broadcast.

This type of thing is often true in Radio Broadcasting. I may never know what God has done in the life of many listeners until I get to Heaven. Won’t that be a great blessing?!!

Pray as the message goes out on radio that those whose hearts the Lord has prepared will listen well and respond to Him. As I record and send the programs to many stations for re-broadcast, I know that thousands of people are hearing and for that we praise the Lord!

FAMILY NEWS

In our family, we have much for which to thank the Lord. **ALL** of them know the Lord: our two children, their spouses and our grandchildren. We have a single granddaughter, two married granddaughters and a married grandson. Among them, we have three great-grandsons.

Our single granddaughter is in full-time ministry, as well as one of our married granddaughters. We are blessed beyond measure for which we praise God!

I am in very good health (just had an annual exam). Betty is dealing with several health issues. She loses her balance and has fallen several times so I keep a close watch on her. She also has a good deal of muscle pain. However, we are better off than most.

We thank God for you, dear friends, and for the love you have shown to us as you have followed our ministry these many years.

God bless you,

Richard “Brom” and Betty Cowser
