Dear Friends,

June 2010

I trust this letter finds you well and blessed.

My ministry continues with daily broadcasts over the WGIB network covering North Central Alabama and also over Radio Semiya on the Island of Curacao in the Netherlands Antilles. Many of you know this but I write about it again for your prayer support.

What most of you do not know is that WGIB can be heard internationally on the Internet. That audience no doubt would be small, yet hundreds of people worldwide "surf" and some will find the broadcast. Wouldn't it be wonderful to hear that someone in a faraway place came to know the Lord listening to the Gospel on the Internet? We know that it is the Lord who draws people to Himself and we pray that He will.

FAMILY NEWS

Betty and I had our 58th Wedding Anniversary on May 30. It has been a wonderful journey together and our "memory book" is getting fuller and fuller. As many of you know, Betty has her physical challenges which are becoming more and more difficult. But the Lord promises grace for every need and we trust Him for each day. Our desire is that in it all we will honor the Lord and bring glory to His name.

David and his wife, Kathy, still live in Quakertown, Pennsylvania, and serve in their local church. David is an assistant manager at Home Depot and Kathy is an executive secretary at Air Products.

Esther and Dan recently purchased a home in Fort Meyers, Florida. Dan works at the TV station at Shell Point Village, a Christian and Missionary Alliance community (C and MA) and Esther cares for an elderly man part-time. They are involved in a Christian and Missionary Alliance church near Shell Point.

We are grateful to all of you who share and pray for us and we thank you for your partnership. May the Lord bless you for having a part in our lives and ministry.

Love in Christ,

Richard "Brom" and Betty Cowser
