Dear Friends,

July 2009

Praise the Lord! After months of hard work, sacrificial giving, as well as gifts from many of you, the Palu Blancu-Curacao has totally been refurbished inside and out! They send their sincere thanks to all of you.

Although they have completed this enormous task, the Sunday School Building is still a mess from the effects of the tornado. Classes must meet outside in the tropical sun, which is not a good situation.

If you can share in this last challenge to complete the work, please do. It was your support for us years ago that enabled this church to be established. Your help now will help them win many children to Christ and help them grow spiritually. If you wish to help, please send your gift to World Reach in the envelope that we have enclosed. Just make a note on it that says "For the Palu Blancu Church".

The radio ministry is going fine and is reaching many thousands daily in English and Papiamento.

Prayer Requests

1. The Palu Blancu Church Sunday School Building will be repaired soon.
2. The International Radio Ministry will win many to Christ.

In Christ,

Brom and Betty
