Dear Friends,

October 2009

After thirty years on the Mission Field, Betty and I returned to the States to care for her parents. For the next fourteen years, I served with TEAM as a rep in the US until retiring from them in 1998. It was during that time that I began broadcasting on one station in Birmingham, Alabama. After my tenure with TEAM, I went on staff with WORLD REACH and have served with them for eleven years.

The Radio Ministry has grown from the small beginning of one station to ten. Now, once again, I have made some changes. Considering my age (79) and present responsibilities, I have decided to reduce the number of stations from ten to seven. I will broadcast on the WGIB network, as well as the Island of Curacao. Here are the stations on which I will continue:

WGIB FM 91.9  
Tuscaloosa-Northport 107.9  
Springville 92.3  
Odenville 95.3  
Columbiana 101.5  
Jasper 106.9  
Radio Semiya – Curacao, Netherlands Antilles

We appreciate your support and encouragement. Let us pray that the many who hear God's Word will open their hearts to the Lord.

Sincerely in Christ,

*Brom and Betty*
