First of all, I want to thank all of you for your prayers and support concerning my trip to Kenya. It was a very fruitful trip. We graduated over 27 pastors and lay workers in the Bible Institute at World Reach-Kenya. It blessed my heart to see them trained.

My purpose for going to Kenya was that they be adequately trained in evangelism and in how to share Christ in an effective way so that people could see their need for Christ and be brought to Biblical repentance and total faith in the Lord Jesus Christ. As the students were trained that week, they were sent out into the surrounding community where they shared Christ. Many people responded and made professions of faith.

God also opened a door to go into a new prison with over 300 inmates. We were able to get in because God provided for us to help with many of their physical needs (*medication, soap, toilet paper, shower shoes, bread*). Then, they were provided with their Spiritual needs. I gave a message and some Bibles to the inmates. About 200 or more of the men responded to the call of salvation. I thank God for the opportunity to have served Him in Kenya.

I am looking forward to God opening the hearts of the people at the prisons where I continuously work and also through some personal evangelism. My desire is for people to come to the knowledge of salvation.

Thank you for the prayers, support and encouragement that I have received from many of you in the loss of my mother this past month. It was a great loss to me but I believe that I will see her on the other side of eternity.

May God richly bless you and keep you until the coming of our Lord and Savior, Jesus Christ! Again, thank you for your prayers.

Love,
Larry
