## Next Stop: Bogota

### Training Pastors ~ February 14-27

With great excitement and anticipation I leave for Bogota. My last trip there was cancelled due to a shingles attack on myself. Some neuralgia persists but I am thankful for your prayers and gifts that make our ministry possible.

The men will be preaching from Philippians and the class will assist the critiquing process. Full sermon manuscripts are prepared from their inductive study. I am certain it will be a time of learning for all of us. Please pray this will be a time of encouragement and instruction for the men that will be useful in their proclamation of the Word.

#### Small Groups

I am currently teaching "How to Study the Bible" to a Sunday School Class. It has been a blessing and challenge to encourage personal study and teach some of the techniques in a Sunday School format. We have looked at passages from the New and Old Testament. God's Word is ALIVE! Please pray the class continues in the things they have learned.

I am leading several small group studies. "Lord, Teach Me to Study the Bible in 28 Days" is the book we have been using for this session. For several students, this is their first introduction to inductive study. Have you ever considered leading a Bible Study at work? Why not? Just get this book and do it and you will be blessed!

#### Training

Please pray for several upcoming small group leader-training workshops. On the calendar are: 1) Pell City, Alabama, 2) Alexandria, Louisiana, 3) Round Rock, Texas, 4) Bolingbrook, Illinois and 5) Pensacola, Florida. If you are interested in hosting one, contact me for more details.

#### Praise

Many of you responded to our need at the end of the year 2009 and a seemingly insurmountable deficit was erased. Thank you! Sometimes, I am simply too much like the Israelites following Moses. *Anxious? Confused? Fearful?* But, our God reigns and you gave. May He richly bless you. Thank you for your partnership.

We have great needs this year. There are many to be reached with the Gospel and leaders to be trained. There are new frontiers begging for help in order to train teachers and preachers. If funding allows, I will go. Please pray and give as God directs.

For Christ,

*Bobby*
