**ROMANIA TRIP REPORT** February in Romania! The air was cold but the hearts were warmed by the Word of God. I was asked to go and teach a group in Romania that may develop into a Bible Institute Class. The group is young, excited and very hungry to know the Word of God. In a culture that is cold to the Gospel, it was very exciting to see hope for the future. The old church guard tends toward legalistic, secluded Christian living. Fear of secret police restricted open communication twenty years ago. A similar mentality still exists among believers. Only the fire of the Word of God will motivate the believers to be vocal and visible in their faith. I spent the week training the class how to study, using the book of Titus. The class struggled initially because they were not accustomed to examining Scripture and thinking for themselves. By Wednesday, the lights came on. They started discovering truth and learning to let the text reveal the context for interpretation. They got excited seeing application of the truth for themselves. Then, I got more excited! They saw how practical all of Titus is. Initially, they were dismayed that we would spend a week in Titus. By the end of the week, they knew for themselves we had only scratched the surface. For their exam on Saturday, they had to analyze Philemon and write a devotion regarding reconciliation. They worked over 2 hours on the little book! I look forward to an opportunity to work with them again. I left them with homework and a copy of "How To Study Your Bible".

## **PLEASE BE IN PRAYER FOR 2008:**

**Marriage Conferences — Romania, Ukraine, Egypt**

**Bible Institute Training — Kenya**

I will also be training for Precept Ministry by doing **workshops in the USA**. If you would like to host a workshop on 'Biblical Prayer', 'Finding Your Place of Service' or 'How to Study Your Bible', call or email me for details.

Please email your prayer requests to us so we can pray for you, too. Thank you for your partnership. This year is going to be very busy and we need you to "hold the ropes".

For the Gospel,
