

# News from the Wilsons

May 2008

Husbands, will you die for your wife? Wife, will you live for your husband? Jay Adams asks these questions in his book: *Christian Living in the Home*. Those questions will be part of my teaching when I travel to Bogotá, Columbia, June 9-14. I will be teaching about 'Marriage and Family' to a group of pastors who will probably become a part of a World Reach Bible Institute there. This is the first of three preliminary classes to gauge interest and commitment levels. Please be in prayer for this trip. No, I do not speak Spanish, so I will be using a translator. May God's Word transform lives, marriages and homes for His glory.

Spring has been a flurry of travel and training people how to study the Bible and how to lead 'Precept Bible Studies'. I have been blessed to do this in Georgia, Louisiana, Virginia, Texas and Idaho. Response has been encouraging - God's Word is so powerful! Several students continue to email details and prayer requests of their journey with the Lord. Your partnership is having an impact!

A trip to Kenya is scheduled for September 2009 to teach "Personal Spiritual Life" from Philippians. A lot of preparation needs to be accomplished to develop a curriculum which will allow the pastors to be challenged and develop sermons following the class theme during our week together. I just ordered some 'classic Christian movies' to show the men at night. Remember, most of them have only seen the Jesus film when we have shown it there.

Please continue to pray for all that goes on here locally as well. June 21, I will be training church leadership "How to Study the Bible" and June 28 there will be a "Precept Leader Class Training" in Birmingham.

## **WE NEED YOUR PRAYERS**

We are going on a '*Family Mission Trip*' to West Virginia during July 5-12. We will be helping to repair a porch and two roofs, as well as assist with a Vacation Bible School. I am really looking forward to traveling as a family for this one!

We not only need your prayers, but also your financial help. This year started strong due to your giving in December, but from February to the present time, giving has been below our monthly needs. Please pray that God will raise up more regular monthly partners.

For the Gospel,

*Bobby*
