

Update from the Wilsons

Kenya Bound: August 7th-September 3rd

Wow, our August 7 departure is not far away! Caleb, Will, Allison and Doris are preparing for 2 1/2 weeks of ministry with great anticipation.

Kenya plans:

- Bobby will present marriage and family training for pastors and wives.
- Will and Caleb will disciple young people.
- Doris and Allison will teach the local women's Bible study and work with the Pastors' wives.
- Allison will also teach some helpful "public health information" to the women.
- We plan to show The Jesus Film several nights in different locations.

The Pastors are in the middle of the 2 1/2 year Bible Institute program designed by World Reach. I am looking forward to expanding their Bible Study skills, looking at passages related to marriage and family. I will provide and train them with a Precept Inductive Study Bible. They will have assignments to complete for my return trip on December 3rd, which will focus on "Teaching Principles and Methods".

Please **pray** for the many details that need to be worked out: food, transport, buying materials, housing, generator etc. In order to teach all day, we will be providing meals for the students.

Pray for changed lives in Kenya!

When the team returns to the USA, I will go to India for a week to be trained in church planting, returning September 3rd.

Presently, I am preparing for the trip's teaching, preaching in our home church and working on Biblical Preaching course work. I plan to be in Sacramento July 26-27 to teach "Studying and Leading Precept".

We thank God for you. Without your partnership we can't travel and do ministry.

Please continue to **pray** for wisdom, direction and God's provision for the work of the Lord. Our monthly support has been short and currently the trip is not fully funded. Would you prayerfully consider if God would have you support us monthly and/or give a gift for this trip?

For the Gospel,

Bobby
