

The Wilson Family

We wish you a special blessing this Christmas. You are a special blessing to us!

A child was born. A humble son was given. A redeemer has come. He was born of a virgin. A sinless life was lived. Jesus taught so that the Father would be revealed. John the Baptist identified Him: The Lamb of God who would take away sin. A humble life lived. A cruel, undeserved, sacrificial, atoning death took place. It pleased God to crush Him for us. A powerful resurrection from the dead took place three days later. He lives, accessible to those who cry out in faith.

FOR THOSE IN CHRIST . . .

Colossians 3:3 - For you have died and your life is hidden with Christ in God.

May this Christmas find your life hidden in the person and working of Christ.

May Christ be evident to all.

May our all be transformed because He is our all.

May Christ be proclaimed to all.

The Lord Jesus Christ is not just “the reason for the season” but He is to be our **LIFE**.

Thank you for your partnership, both prayerfully and financially. We cannot minister without you. You are vital! We praise God for you and wish a very special Holy Christmas from our family to yours.

For the Gospel,
