Dear Brothers and Sisters,

October 2009

Greetings in the name of our Lord Jesus Christ!

We have had many days of intense activities in the midst of trials and a lot of pain for the family. On September 22, Monica's father passed away. In spite of the pain, we have peace for he accepted Christ as his Savior a few days before dying. During his funeral, we had the opportunity to present the message of the Gospel twice.

September 17-22, we had the activities of the Vacation Bible School, as well as the talks we gave at the school, the Center for Adolescents in Crisis and one church. The themes were "Abortion and Sexual Abstinence". There were 187 young people who attended these meetings. We gave tracts and literature about abortion to many of them. God has given us beautiful results of salvation and the beginning of new Bible studies. In the activities for the kids, 117 attended and 62 made a decision for Christ. At the Center, there were 19 young people and 9 accepted Christ as their Savior. A cook also received Christ.

Regarding the school for training leaders, we finished the year with the subject of Neumatology "The Study of the Holy Spirit". We had 52 students, of which 38 will continue their second year, thus ensuring the continuance of the school to train leaders.

Please let us share our petitions for prayer; requesting your help:

1. To buy property to be the center of all the planned activities.
2. For an old building, which was a Lutheran Church and has been abandoned for 18 years.
3. My wife and daughter as they disciple and counsel girls and adolescents in crisis about abortion, suicide, depression, drugs, etc.
4. Travelling with my wife to a very poor province in the northeast of Argentina where we will be organizing activities with kids and a church in the future.
5. Traveling to Peru to teach at the Mobile Bible Institute.
6. Teaching at a retreat for men and women in Buenos Aires.
7. Monica teaching older women.

Thank you so much for supporting us and being attentive to our needs.

Your servants in Christ,

Andres and Monica Acosta
